the river gorge before the spring thaw breaks up the  
ice pack and frees a deadly, rushing torrent; they  
need to cross the mountains and reach the Yukon  
before winter's freeze brings starvation. Meanwhile,  
left behind in Vancouver, the pregnant wife of the  
expedition leader explores her own destiny and  
presses against the rigid boundaries of social norms.  
Liminality is the theme throughout:  
of dream and waking, tame and  
wild, imagined and real.
